

SEN Information Report: Devon Guidance

Under the Special Educational Needs and Disability Code of Practice (2015) the governing body or proprietor of every maintained school, maintained nursery school and Academy school (other than a special school that is established in a hospital) **must** publish information on their website about the implementation of the policy for pupils with Special Educational Needs (SEN) in the form of an SEN Information report. This report should be kept up to date with significant changes and published annually each September. The report differs from the SEN Policy in that the policy details the school's ethos and approach to SEN whereas the SEN information report describes what has happened and how the policy has been implemented in the last academic year. This checklist is based on the requirements set out in schedule 1 of the Special Educational Needs and Disabilities (SEND) Regulations 2014 and paragraphs 6.79-6.81 of the SEND Code of Practice.

The following guidance is designed to assist schools in deciding what information to include in the report. The guidance is not an exhaustive list of information but a suggestion of the types of information schools may wish to include.

The primary audience for the report is parents and carers therefore it is important to ensure the language used within the report is not education elitist and is written in plain English. Furthermore, best practice would be to involve and consult parents in the drawing up and review of the report. It is advised the report is published using a Dyslexia-friendly 'sans serif' font such as Arial, Comic Sans, Century Gothic, Verdana, Trebuchet or Calibri. Please also ensure your report is available in the range of languages appropriate to your setting.

<p>at or accessed by the school?</p> 	<ul style="list-style-type: none"> <input type="checkbox"/> <i>Have any staff members undertaken specialist training to support specific roles?</i> <input type="checkbox"/> <i>What other services are accessed from health and social care?</i> 	<p>bodies, including health and social care, local authority support services and voluntary sector organisations, in meeting pupils' SEN and supporting their families</p> 
<p>What happens if my child needs specialist equipment?</p> <p>How accessible is the school and how does it arrange the facilities children need?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> <i>What facilities and equipment are routinely provided to support pupils with SEND? How is additional equipment secured?</i> <input type="checkbox"/> <i>How does the school make best use of resources in its delegated budget?</i> <input type="checkbox"/> <i>Is the school fully wheelchair accessible?</i> <input type="checkbox"/> <i>Are their disabled changed and toilet facilities? Does the school have disabled parking bays?</i> <input type="checkbox"/> <i>Have the auditory and visual environments been audited?</i> 	<p>How equipment and facilities to support children with SEND will be secured</p>
<p>How will my child manage tests and exams?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> <i>What access arrangements are available if appropriate for examinations?</i> <input type="checkbox"/> <i>How are decisions about support made and how are families involved in this process?</i> 	<p>Information regarding access arrangements</p>

Accessing advice and support

<p>What should I do if I think my child may have a special educational need or disability?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> <i>Who is the SENCO and what are their contact details? When and how is the SENCO best contacted?</i> <input type="checkbox"/> <i>Who else is part of the wider SEN team and what are their key roles and responsibilities?</i> <input type="checkbox"/> <i>Who is the Governor responsible for SEN and what are their contact details?</i> 	<p>Contact details for the Special Educational Needs Coordinator</p>
<p>What do I do if I'm not happy or if I want to complain?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> <i>Who is the first point of contact if parents/carers wish to discuss concerns?</i> <input type="checkbox"/> <i>What is the school's approach to resolving concerns?</i> <input type="checkbox"/> <i>Who can families talk to if they are worried?</i> <input type="checkbox"/> <i>How does the school communicate with parents and carers and what measures are employed to ensure concerns are addressed?</i> <input type="checkbox"/> <i>Where can the formal complaints policy be found and what are the key points?</i> 	<p>Arrangements for handling complaints from parents of children with SEND</p>
<p>Where can I get information, advice and support?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> <i>How does the school signpost families to services that can provide additional support?</i> <input type="checkbox"/> <i>Who is the first point of contact?</i> 	<p>Contact details of support services for parents of pupils with SEND</p>
<p>Where can I find out about other services that might be available for our family and my child?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> <i>How does the school link to the LA local offer and how is this information made available to parents/carers?</i> <input type="checkbox"/> <i>How has the school contributed to the LA local offer</i> <input type="checkbox"/> <i>Where can the LA local offer be accessed?</i> 	<p>The school's contribution to the local offer and where the LA's local offer is published</p>

SEN Information Report: Devon Guidance

Under the Special Educational Needs and Disability Code of Practice (2015) the governing body or proprietor of every maintained school, maintained nursery school and Academy school (other than a special school that is established in a hospital) **must** publish information on their website about the implementation of the policy for pupils with Special Educational Needs (SEN) in the form of an SEN Information report. This report should be kept up to date with significant changes and published annually each September. The report differs from the SEN Policy in that the policy details the school's ethos and approach to SEN whereas the SEN information report describes what has happened and how the policy has been implemented in the last academic year. This checklist is based on the requirements set out in schedule 1 of the Special Educational Needs and Disabilities (SEND) Regulations 2014 and paragraphs 6.79-6.81 of the SEND Code of Practice.

The following guidance is designed to assist schools in deciding what information to include in the report. The guidance is not an exhaustive list of information but a suggestion of the types of information schools may wish to include.

The primary audience for the report is parents and carers therefore it is important to ensure the language used within the report is not education elitist and is written in plain English. Furthermore, best practice would be to involve and consult parents in the drawing up and review of the report. It is advised the report is published using a Dyslexia-friendly 'sans serif' font such as Comic Sans, or Verdana. Please also ensure your report is available in the range of languages appropriate to your setting.

<i>Parent/carer questions</i>	<i>Key information</i>	<i>Links to SEND Code of Practice (2015)</i>
School Policy and procedure		
<p>What kinds of SEND do pupils in the school have?</p>	<p>As a mainstream school, Shaldon Primary School strongly believes in inclusion so that pupils are taught alongside their peers. Through quality first teaching, class teachers and support staff differentiate and personalise the curriculum to meet the range of needs and abilities within each class.</p> <p>In the academic year 2022/2023 there are 20 children identified as having a SEND, which is approximately 9.2% of children on roll. These are made up of: 2 pupils have an individual Educational Healthcare Plan, 5 pupils currently awaiting EHCP Assessment and 18 children with SEN Support. We support children with a range of needs in all four areas of SEND. We have a number of children with communication and interaction difficulties, including speech and language and children who are on the Autistic Spectrum. At Shaldon Primary School there are children with Social, emotional and mental health difficulties with a range of needs who are supported by the nurturing ethos of the school. We also have a small number of children with sensory needs and physical needs and the school is fully accessible. As a school we have a focus on the child as an individual, enabling us to meet a huge range of cognition and learning needs with an inclusive approach.</p> <p>Staff at Shaldon Primary School Primary School encourage</p>	<p>The kinds of special educational needs for which provision is made at school</p>

	<p>everyone to give of their best, to be independent life-long learners, and to be proud of their own and others' achievements.</p>	
<p>How do you know if a pupil needs extra help?</p> 	<p>Each half term, class teachers, support staff, parents and the SENCo discuss attainment, progress and provision for each pupil identified as having a Special Educational Need: Parents meet with the class teacher to discuss and agree support and targets which are recorded in a personal plan. For most pupils identified as having a special educational need, this cycle of assessment and provision is effective in meeting their needs to ensure good progress. Where progress and attainment continues to be lower than expected, despite targeted intervention and support, the school may utilise more specialist diagnostics assessments, draw on support from outreach and / or health professionals or request advice and assessment from Devon Educational Psychology Service</p> <p>At Shaldon Primary School, we track the progress of the children in a number of ways dependent on their needs.</p> <p>All staff are responsible for raising concerns with children's development and needs. At Shaldon Primary School, we have a clear SEN process that all staff are aware of – the basis for this is the Graduated Response. Assess, Plan, Do, Review cycle. From this we ensure we are</p>	<p>Information about the school's policies for identification and assessment of pupils with special educational needs</p>

working on the main areas of need and with a big focus on quality first teaching and targeted interventions.

Where a child's needs are more complex then we will request the support of outside interventions for specialist approaches.

At Shaldon Primary School, we use this SEN process alongside regular full class screenings for SAL and academic assessments to highlight any children that may so far have unidentified needs.

Assessments that are used by our school include:

- Teacher assessments and standardised tests.
- Phonics screenings
- Speech and Language assessments using Speech and Language Link.
- Reading age assessments

- Assessments from the schools Educational Psychologist.

We also work very closely with outside agencies to ensure that any other assessments needed by them are completed and returned as soon as possible.

These assessments and processes highlight any children that may be having difficulties accessing and progressing with their learning.

Day to day support

How do teachers help pupils with SEND? How will the school support my child?

As a mainstream school, Shaldon Primary School strongly believes in inclusion so that pupils are taught alongside their peers. Through inclusive quality first teaching, class teachers and support staff adapt and personalise the curriculum to meet the range of needs and abilities within each class. Teaching is adapted in many ways to suit the varying needs of individuals and groups within the class, e.g. changing resources: varying the pace of teaching, chunking the lesson into achievable steps, the use of adult support, use of ICT and other access technology etc. ‘Quality first teaching’ and a broad and balanced curriculum from class teachers is an entitlement for all pupils and effective differentiation enables all pupils to experience feelings of success and achievement.

At Shaldon Primary School, we recognise that there are some children who may need extra support to make expected progress so that they achieve in line with their peers, e.g. small group intervention work, additional adult support from teaching assistants or pastoral assistants, 1:1 tuition or additional equipment to achieve their potential. Some pupils also benefit from additional diagnostic assessments to identify areas of strength and difficulty. We have developed and continue to develop a range of expertise, experience and links to other agencies to ensure we meet the learning needs of all pupils.

Children who require SEN Support and who have EHCPs are all part of the school’s Plan, Do, Review process. These children will have Individual Learning Plans (ILPs) which are regularly reviewed half-termly.

The school’s approach to teaching pupils with SEND

Children with more complex needs or children whose progress is still slow despite the quality first teaching, targeted interventions and ILPs will become part of our TAF process. Regular meetings will be held with the families, relevant schools staff and any outside agencies to put a more detailed Plan, Do, Review process in place. These meetings will be held every six to eight weeks and updated accordingly.

Shaldon Primary School promotes inclusion and carefully monitors groups so that all learners can access all areas of the school curriculum. We cater for pupils with a wide range of additional needs, not just Special Educational Needs (SEN), and this includes gender, minority ethnic and faith groups, Children in Care and Young Carers. Pupils with exceptional aptitude and skills in any subject area will find many opportunities to develop these e.g. within their regular lessons

<p>Is there any additional support available to help children with SEND?</p>	<p>(through adapted work and extension activities), in additional small group work and enrichment opportunities both in and outside of school. Some Pupils with EAL have additional needs but not special educational needs. Pupils whose first language is not English need tailored support to ensure access to the curriculum and also a tailored programme to learn and use the English language.</p> <p>At Shaldon Primary School, we look at the educational needs of pupils with disabilities and in liaison with the family and other agencies involved, develop an individualised plan for providing care and education which will allow for the child to achieve their full potential. This will include a personalised curriculum tailored to individual needs, where appropriate, as well as ongoing professional development and training for staff.</p> <p>The level of support available at Shaldon Primary School can be divided into three areas, Universal, Targeted and Specialist. Universal support includes Quality First Teaching and in class support and differentiation. Targeted includes individual or small group interventions that are above and beyond that which is provided in class. Specialist support</p>	
---	--	--

includes following programs and advice from outside agencies that are providing the individual child with specific plans and targets.

Parents are involved in any decision making and these decisions are supported by the school staff, including the SENCo, SEN Lead, Class teachers and support staff.

If, after completing the graduated response, additional support is required, then we work closely with a number of outside agencies.

We use a number of outside agencies to advise us on meeting pupils' needs including;

- Educational Psychology Service
- Babcock LPD Special Educational Needs, Disability and Inclusion Advisory Team
- SEMH Service
- Speech and Language Therapy
- Occupational Therapy
- Community Nursing Team
- Child and Adolescent Mental Health Services (CAMHS)
- Communication and Interaction Team
- Deaf and Hearing Impairment Team
- Inclusion Service
- Physio team
- Early Help

	<input type="checkbox"/> DIAS	
<p>How will the school know how well my child is doing?</p>	<p>The teachers at Shaldon Primary School will continuously monitor the progress of all children and this will be reviewed on at least a half termly basis.</p> <p>If a child is having universal provision the child’s progress will be reviewed and reported back to parents each term through parents evening and other forms of communication. If a child is having targeted or specialist provision, then the child’s progress will be reviewed every six to eight weeks or after a timely intervention. This will be fed back to the parent via the teacher and through meetings if appropriate.</p> <p>If the child and family are part of the TAF process then this information will be shared at the regular meeting and the targets, strategies and interventions will also be reviewed.</p> <p>Any parent is able to speak to their child’s teacher at any point through this process and they are also able to contact the SEN Team to find out any information on their child’s progress.</p> <p>The method of assessment and review will depend on the type of intervention the child is part of – for example if the child is having cognition and learning interventions then the TA’s leading these will keep a record of progress on the child which are updated after each session and used to inform the planning of the next steps.</p>	<p>Arrangements for assessing and reviewing pupil’s progress towards outcomes</p>

The targets set for the children will be SMART and depend on what their main area of need comes under. If the child has speech and Language needs for example, then their targets will come from Speech and Language Link or from the SALT depending on their level of need.

How will I know my child is making progress? How do you check on this?

As stated above, the progress of each child is reviewed regularly and with this the effectiveness of the intervention it's-self. If it is deemed that the intervention is not effective for an individual child or a group of children, then the strategies themselves will be altered.

If, for example, little or no progress has been made after trying a range of interventions and strategies then it is likely that referrals to specialist professionals will be completed.

How the effectiveness of provision is evaluated

How will my child be included in activities outside the classroom, including school trips?

All children with SEND are part of their mainstream classrooms and have access to assemblies, school performances, school visits, extra-curricular activities and residential trips.

How will you support my child's overall well-being?

Shaldon Primary School Primary School prides itself on being a very nurturing and inclusive setting.

If a child needs to access this provision to aid their progress it is done with the child's well-being at the heart of it.

As previously mentioned SEMH is seen as a whole school approach at Shaldon Primary School and we have a number of trained and experienced staff who naturally put a nurture slant on all that they do. We feel that we have a very good understanding of children's emotional needs and we are happy to do what needs to be done to meet these. If needed a child will have a named adult who they will be able to have protective time with at least weekly, there may be a team of adults if that is more appropriate. We ensure that all children are respected and their emotions are validated and reflected upon.

Support for improving emotional and social development

www.babcockldp.co.uk

If a child has a medical health condition, then a Health Care Plan will be completed by the parents with the support of the SENCo/SEN Lead. These plans include any medicinal needs as well as emergency procedures and specific interventions.

Any prescribed medication will be accepted and administered in the school with written parental consent. For children with Asthma there are named adults responsible for the storage and use of inhalers. Staff follow specific rules with the recording of administering medicines and reporting this to parents. The school will make every effort to ensure that children who have medical needs will be fully included in all of school life, including trips and residential.

If a child needs support with their personal care, then an intimate care plan will be completed with the parent (and the child – where appropriate).

Risk assessments will be regularly completed and reviewed to support both child and the staff in delivering the best provision.

There is very clear and consistent approach to behaviour in the school, there is a whole school approach to ensuring that children are aware of the behavioural expectations.

Children are also aware of the processes involved if they do not meet these expectations. At the heart of this process is the completion of restorative and reflective work with the child and staff involved.

If a child is at risk of exclusion due to challenging and dangerous behaviour, the SENCO/ SEN Lead will arrange a meeting to complete an individual behaviour care plan with parents, class teacher and other key adults of the child. The plan is shared with all key adults and reviewed and updated regularly to support the individual child.

The SENCO/SEN Lead may also arrange further multiagency support. Risk assessments are also completed to ensure the safety of the individual children and the staff working with them.

Shaldon Primary School work very closely with a number of outside agencies including The Inclusion Team, the local EWO and EP to ensure that we are supporting the children and their families to reduce the

	likelihood of exclusions and to increase out attendance.	
Involving families		
<p>How will you help me to support my child's learning? When will we be able to discuss my child's progress?</p>	<p>Parents and carers of children with SEN are included in the school's standard methods of information sharing – including parents evening and topic days etc. Any parent is able to contact the class teacher or SENCo/SEN Lead at any stage of the school year for a further update.</p> <p>If a child is accessing an intervention or is being assessed using a specific program (Boxall, SALT) then the child's progress will be shared with the parents at regular intervals, including after an intervention has finished or reviewed also before and after an assessment has been completed. If a child is having input from a specialist service, then the parent will be informed by either the specialist or by the school each time any input or assessment is carried out.</p> <p>The feedback regarding progress may be given as part of a TAF meeting or as a one off meeting / phone call depending on the needs of the child or the wishes of the parent.</p> <p>Any parent will have the opportunity to have a brief chat with the class teacher during the collection at the end of the day, for day-to-day feedback. If the parent wishes to have an in-depth conversation with the teacher, this is done over the phone or by appointment.</p> <p>If there has been an incident during the school day, then the school will contact the parent by phone to inform them of the situation.</p>	<p>Arrangements for consulting with parents/carers of children with SEND and involving them in their child's education</p>

Sometimes the school are required to complete specific observations of children throughout the school day (e.g. how much are they eating etc.) this can either be collated and feedback to the parent as and when needed using a home school diary.

For less specific information about what is happening at school, i.e. events / trips etc. the school website page is updated regularly and emails are sent out to parent /carers.

There are other opportunities for parents to gather information and meet the staff:

- Meet the teacher – at least once every half term (viewing of work or parents evening)
- Offer of parent workshops to support phonics, year 2 and year 6
- Offer of parent learning sessions for reading and maths
- Open mornings for all new starters.

Parents are also regularly informed and kept up to date with the planning for the children's learning through:

- Parents information available regarding the policies for each subject.

- School website provides subject specific information
- Parents sessions to support learning (key year groups)

How will my child be able to share their views?

The school encourages children to be part of the decision making process at school by ensuring their voices are heard through:

- Outside agency supports to assist children and families. 1:1 support with a key supportive adult
- Pupils led 'School councillors'
- Pupils involved in any funding applications/ school development ideas
- Pupils fulfil key responsibilities within the school

Arrangements for consulting with children with SEND and involving them in their education

How will you support my child when he/she joins your school or moves class or transfers to a new school?

What is the school's approach to transition?

- Ø Comprehensive transition (teacher-teacher and teacher-parent/pupil)
- Ø Individualised support plans for children who need additional support
- Ø Sample day with their new teacher
- Ø Key transition points provided with additional support (EYFS, Y2-

Arrangements for supporting pupils moving between phases of education and preparing for adulthood

Y3, Y6-7)

Ø Comprehensive EYFS starter booklet and package sent to new starters

Ø Close relationship with local secondary schools

How does the school work with other settings to transfer information and support transition to the next setting?

Ø CPOMS data provided once change of roll.

Ø Close relationship with local schools

Ø Meetings with transition workers from other schools

Ø Sharing of all academic data

Who is responsible for providing this support and what are the usual timescales?

Ø SENCO/SEN Lead, Safeguarding officer, SLT, Class teacher.

	<p>Ø Data shared once transition is officially confirmed.</p> <p>Ø In-school transition programme begins within the last half term.</p> <p>What support is available for work experience or out of school activities?</p> <p>Ø All learning journeys include real life experiences and visits to the school of experts.</p> <p>Ø High importance placed on local and relevant visits to encourage pupils aspirations and develop lifelong learning.</p>	
<p>Staff skills and wider support</p>		
<p>What skills do the staff have to meet my child's needs?</p> <p>What specialist services are available at or accessed by the school?</p>	<p>If a child is transferring to Shaldon Primary from another school or if they are starting in Reception class, the first step in finding out how the school can best support them is to have an in depth conversation with the parents/carers.</p> <p>The class teacher, SENCo or SEN Lead will be the first contact for new children with SEN and information will be gathered and recorded. A meeting may be arranged with the parents, class teacher, previous school or childcare provider and the SENCo or SEN Lead. From this meeting a transition plan will be put in place and plan, do, review process will begin. During this meeting</p>	<p>The expertise and training of staff to support pupils with SEND, including how specialist expertise will be secured</p> <p>How school involves other bodies, including health and social care, local authority support services and</p>

the school SEN Team along with the parents will decide if any referrals or assessments can be carried out before the child begins or whether more evidence needs to be gathered first.

When the child is ready to start we will have the information to be able to ensure that the class teacher and support staff are best placed to support the child from day one.

The plan, do, review process will then be continued.

The school have access to a huge range of professionals and specialists that can be called upon for general advice, training and support for specific children. Each service works in a way that produces the best outcomes for the children. We have access to the following services:

Educational Psychology Service

Babcock LPD Special Educational Needs, Disability and Inclusion Advisory Team

SEMH team

Speech and Language Therapy

Occupational Therapy

Community Nursing Team

Child and Adolescent Mental Health Services (CAMHS)

Communication and Interaction Team

Deaf and Hearing Impairment Team

voluntary sector organisations, in meeting pupils' SEN and supporting their families

Physiotherapists
 Inclusion Service
 Early Help
 Family Practitioners
 Disabled Children's service

These services work in a variety of different ways from, working directly with the children, supporting staff to support individual children, supporting staff to support different types of SEN, whole school training, supporting families, supporting parents and supporting children at home etc.

What happens if my child needs specialist equipment?

How accessible is the school and how does it arrange the facilities children need?

• What facilities and equipment are routinely provided to support pupils with SEND? How is additional equipment secured?

If a child at Shaldon Primary School needs specialist equipment that has been recommended by a specialist, there are a number of different ways that this can be acquired. Sometimes the specialist that has recommended it will be able to procure it for the school. The school will purchase the needed equipment; this may be funded from the school SEN budget or funding may be applied for.

A number of local charities offer funding for certain types of equipment and this can be applied for when the need arises. Alongside this the majority of the building is wheelchair accessible including all of the outside play areas.

How equipment and facilities to support children with SEND will be secured

	<p>We have an accessible toilet which includes a shower and the appropriate bars, support rails etc.</p>	
<p>How will my child manage tests and exams?</p>	<p>What access arrangements are available if appropriate for examinations? How are decisions about support made and how are families involved in this process?</p> <ul style="list-style-type: none"> Ø Additional support is available in line with the government guidelines Ø Children are assessed in-line with the guidelines set out in the access arrangements document Ø Parents and pupils informed continually throughout the process (parents evenings, website etc) Ø Teachers make the decisions with support from SENCO/ SEN Lead and Team Leader 	<p>Information regarding access arrangements</p>

Accessing advice and support

<p>What should I do if I think my child may have a special educational need or disability?</p> <p>What do I do if I'm not happy or if I want to complain?</p> <p>Where can I get information, advice and support?</p> <p>Where can I find out about other services that might be available for our family and my child?</p>	<p>The SEN team comprises of:</p> <p>SENCo – Tom Hodgson</p> <p>Safeguarding and Inclusion Lead for ACE Trust- Wendy Parr</p> <p>Strategic SEND Lead for ACE Trust – Katy Burns</p> <p>They can be contacted by phoning or emailing the school directly and either appointments or meetings can be set up on 01626 873329 or admin.shaldon@acexcellence.co.uk</p> <p>The SEN Lead is available by telephone and email three days a week and will co-ordinate responses and outcomes with the SENCo.</p> <p>If a parent or carer has a concern that they would like to discuss there are a number of options. The first point of contact would be the Head Teacher, if the parent did not feel like they could discuss it with the class teacher. Parents and carers can also talk to the Safeguarding and Inclusion Lead, or a member of SLT.</p> <p>There is a clear procedure that is followed if a parent wants to raise and concern or a complaint and this will be explained clearly verbally and in writing to the parent/carers if they feel that they want to make a complaint. The complaints policy is on the website and can also be requested from</p>	<p>Contact details for the Special Educational Needs Coordinator</p> <p>Arrangements for handling complaints from parents of children with SEND</p> <p>Contact details of support services for parents of pupils with SEND</p> <p>The school's contribution to the local offer and where the LA's local offer is published</p>

the office at any time.

If a family are requesting additional support the school SEN and Safeguarding team are able to signpost parents/carers to a number of different services that are available.

Parents and carers are also made aware of the Local offer, a link to this can be found on the school website.
